Dear Mr. Saren Sim,

I would like to introduce myself, my name is Khy Phat, I am a second-year student at PNC(Passerelles Numériques Cambodia). I got the announcement from PNC ERO team that your company need IT Front End. I am so interested in applying for this position at your company. I am a person who likes to challenge myself with different kinds of environments.

I have learned some programming languages such as PHP, JavaScript, HTML, CSS, Bootstrap, Laravel, Node Js, Python, OOP, and Vue Js. After finished one subject I created one project about what I have studied from that subject also. Moreover, I could use my soft skills such as communication, responsiblity, teamwork, problem-solving, time and task management.

Through my education and experience background, I believe that I have enough qualifications to fit with this position and I can world in your organization. For more information, please contact me by phone number or email address above. Thank you for your time and consideration. I am looking forward to hearing from you soon.

Best regards,

Khy Phat
